

Employment Development Workshop

Presented by Rick S. McAllister
May 19th, 2017 9 am – 4 pm

Designed for: Employment Staff, School to Work Transition Staff, Direct Service Managers, Rehabilitation Counselors, Case Managers.

Overview: This presentation focuses on global and foundational approach to employment development that places emphasis on relationship building and customized employment. The customer's needs (the job seeker and the employer) are the focus of this approach. This session will also provide strategies that are effective for school to work professionals. The presentation will demonstrate tactics and approaches for involving all levels of our agency in effective employment development. Communication, partnerships and managing information will be highlighted throughout this interactive program.

Learning Objectives:

- Conduct an effective initial contact with employers
- Develop successful partnering strategies for employment services which focus on customized employment.
- Utilize techniques that increase the opportunities for creative employment options
- Manage the documentation for seeking, indentifying and obtaining employment opportunities.
