Inland Regional Center (IRC) is conducting a Request for Proposal (RFP) to award non-CPP General Fund, funding to a qualified Housing Developer Organization and a Service Provider. The awardee(s) ultimately selected, must embrace IRC's core values of independence, inclusion and empowerment. CPP and CRDP are designed to assist regional centers to provide the necessary supports and services for individuals with challenging service needs. The goal is to support adults who will be transitioning from Porterville Developmental Center- Secure Treatment Program or in some circumstances may serve individuals who are in jail and are being deflected from an admission into the State Developmental Center system, utilizing state allocated funds.

The current funding available are for the following:

- A. Housing Developer Organizations:
 - i. One (1) property acquisition and renovation of Enhanced Behavioral Support Homes with Delayed Egress and Secured Perimeter
- B. Service Providers for Residential Facility:
 - i. One (1) Enhanced Behavioral Support Home for adults.

IRC strongly encourages all interested and qualified parties to submit a proposal in response to the items included in this RFP. The awardee selected for residential service provider will be required to provide competency training for forensic cases to educate defendants regarding the court system and legal process (this training can be provided from a qualified consultant that provides competency trainings).

IRC is looking forward to a collaborative relationship with vendors who will provide creative and innovative services. IRC reserves the right to suspend or defer the development of these projects based upon funding availability, suitability or proposals received. Please refer to the RFP Guidelines for submission requirements. All proposals will **ONLY** be accepted through our website. **IRC will NOT accept any proposals that are mailed, fax or attempted to be hand delivered. Any proposals not submitted through the website will be automatically disqualified. ALL PROPOSALS ARE DUE BY: NOVEMBER 10, 2020 @ 12pm.**
