Fiscal Year 2021-2022

In preparation for the CPP/CRDP Plan for the Fiscal Year 2021-2022, Inland Regional Center (IRC) determined the following priorities:

Multi-Family/Affordable Housing Development

The current FY 1920 Project in Coachella, Ca was developed with a total of 10 units specifically for individuals IRC serves. A blog was posted on IRC's website to establish an interest in these units:

[Welcome Home! DDS and IRC Making Affordable Housing Truly Affordable | Inland Regional Center \(inlandrc.org\)](https://www.inlandrc.org/blog/welcome-home-dds-and-irc-making-affordable-housing-truly-affordable)

This same information was also posted on IRC's social media. An overwhelming number of individuals and their families contacted IRC's Affordable Housing Team. With only ten units available, and triple the number of applicants, IRC determined that additional Multi-Family/ Affordable Housing developments in the Coachella area are needed.

Should funding be approved by the Department of Developmental Services, IRC will work with a Housing Development Organization to develop additional units.

Competency Training

IRC is currently in development of an Enhanced Behavioral Supports Home (EBSH) in Apple Valley, Ca, to provide enhanced residential services to serve consumers who are transitioning from Porterville Developmental Center - Secure Treatment Program (PDC-STP) or in some circumstances may serve individuals who are in jail and are being diverted from PDC.

Competency Training is a requirement of this development and IRC does not have any direct vendors within IRC's catchment area to provide this training.

Based on stakeholder input, no other projects were identified as a priority for Fiscal Year 2021-2022.

Should you have any questions, please feel free to contact Amanda McGuire, CPP and Affordable Housing Specialist by email, amcguire@inlandrc.org.
