

# Competitive Integrated Employment Quick Reference

## [CIE Website](#)

The California Competitive Integrated Employment (CIE): Blueprint for Change Website is the informational hub for all resources, guidance, trainings, templates, contacts, and reports. Each of the resources listed in this handout, and many more helpful and informative resources, can be found on the CIE Blueprint Website.

## [Local Partnership Agreement Technical Assistance Webinars](#)

There are four (4) recorded Local Partnership Agreement (LPA) Trainings, and accompanying PowerPoint presentations, posted on the CIE: Local Partnership Agreements Webpage. These are intended to provide helpful guidance and information on the following topics:

- Plan Coordination and Consensus-Based Decision Making
- COVID-19 Coordinating Responses
- Provision of Community-Based Pre-Vocational Foundational Skills Development in the LPA
- Business Engagement in the LPA

## [LPA Template](#)

The CIE: Local Partnership Agreements Webpage contains links to the active LPAs in California as well as the basic LPA template. These documents can be used as the basis for building a new, or improving an existing, LPA in your area.

## [Employment Resources Map](#)

This resource map marks locations for the following work and transition programs across California, and can be a useful resource for finding partners in your geographic area:
