Subject: April 2022 Invoices

We want to let you know that your April 2022 invoices will not be available in the IRC E-billing system on May 1, 2022.

We are diligently working on the implementation of the rate increases effective April 1, 2022 for those providers who will receive rate increase/s based upon the Burns rate study.

Our sincere apologies for this delay. We want to ensure that your April 2022 invoice/s will reflect the correct rate.

Thank you for your kind understanding.
