

Intro to OPRABA Training 2 CEUs

Inland Regional Center is excited to announce that we are teaming up with **Disability Rights of California** to provide a training on their new **Office of Payee Review & Beneficiary Assistance (OPRABA)** program.

Intro to OPRABA will be held on **June 1, 2022, from 10:00am – 12:00pm**. This training is worth 2 CEUs and will provide a general overview of how the program strengthens protections for Social Security Beneficiaries. It will also offer tips on what to do if you suspect a representative payee is misusing or improperly using a beneficiary's funds and/or not carrying out their duties correctly.
