Dear Service Provider:

2023 Minimum Wage Rate Increase

Effective January 1, 2023, due to the enactment of Senate Bill (SB) 3, the minimum wage in California will increase to \$15.50 per hour for all employers.

Please note that the rate adjustment effective January 1, 2023 (reflecting 50% of the difference between March 31, 2022 rates and benchmark rate models) and the statewide minimum wage adjustment will be calculated separately. These adjustments are independent of each other, and will be additive if a vendor qualifies for both.

Providers with Rates Set through Negotiation by the Regional Centers

Statute allows regional centers to negotiate rate adjustments with providers in order to pay employees no less than the minimum wage effective January 1, 2023. The rate adjustment must be specific to the unit of service that is affected by the new minimum wage and shall only include those costs necessary to increase an employee's actual hourly wage to the new minimum wage rate and associated mandated employer costs (e.g., Social Security, Medicare, and Workers' Compensation).

Vendors must submit actual wage and mandated employer cost information for affected employees only and total program units of service provided for the three (3) consecutive months from January through December 2022.

Submission Instruction:

Service providers with negotiated rates must complete the SB3 Minimum Wage Increase Workbook 2023. This workbook is available by clicking this link <https://www.inlandrc.org/service-providers/>. Use only the workbook(s) applicable to you.

Please submit your rate adjustment request(s) to minwage@inlandrc.org. All rate adjustment requests **MUST** include the following required documents:

- Completed worksheet(s). Please indicate the name of your program, service code and vendor number (i.e.: A Plus Transportation; 875; HJ000)
- Separate workbook must be submitted for each vendor number
- Payroll Register/Payroll Records covering the 3 consecutive months review period for all employees eligible for new minimum wage increase
- A Copy of Workers' Compensation Policy showing the rate per 100's
- California DE 2088 Notice of Contribution Rates and Statement of UI Reserve Account
- Provide a copy of your 2022 complete Cost Statement or Rate Determination worksheet to support your current rate and request for minimum wage adjustment

Vendors with negotiated rates who are applying for the minimum wage adjustment increase must complete and submit the workbook and required documents to IRC no later than **March 1, 2023**. Incomplete worksheet(s) and/or incomplete supporting document(s) will not be processed and will be returned to you. **No extension will be granted beyond this deadline.**
