Lavinia Johnson, Executive Director
Inland Regional Center
P.O. Box 19037
San Bernardino, CA 92423

Dear Lavinia Johnson:

The Department of Developmental Services (Department) received Inland Regional Center's (IRC) calendar year 2021 Performance Contract year-end public meeting report on May 16, 2022.

In accordance with Welfare & Institutions (W&I) Code section 4629(f)(1), each regional center's governing board must hold one or more public meetings regarding its prior year's performance contract objectives and outcomes. The statute requires the regional centers to notify the Department, individuals, families, and community partners and post the notice of the meetings to its website at least 30 days in advance of the meeting.

Additionally, regional centers must ensure that the meetings and meeting materials provide language access and are scheduled at times and locations that promote attendance by the public. Regional centers are also required to consider strategies to promote opportunities for public comment from diverse communities within their catchment area.

Furthermore, W&I Code section 4629(f)(2) requires each regional center's governing board to report to the Department regarding the outcomes of each public meeting within 90 days of the meeting. The report shall include, but shall not be limited to both of the following:

- Copies of minutes from each meeting and comments obtained from other strategies utilized to provide opportunities for public comment from diverse language, racial, and ethnic communities.
- The regional center's recommendations and a plan to address areas where improvement is needed.

IRC's May 10, 2022 report confirms that the governing board held one public meeting regarding IRC's 2021 Performance Contract objectives and outcomes. The meeting was held on May 9, 2022. IRC's recommendations include a plan to address areas where improvement is needed including:

- Providing support to sub-acute children facilities to offer high-level care.
- Hold multi-disciplinary reviews of placement in homes with more than four beds.
- Partner with community-based organizations to increase access to services.
- Employment Specialists will continue to provide outreach and community education on employment opportunities and supports.

The Department recognizes IRC's efforts in meeting the requirements under W&I Code section 4629(f). If you have any questions regarding this correspondence, please contact Andrew McElhinney, Primary Regional Center Liaison, Office of Community Operations, at (916) 654-2241 or by email at Andrew.McElhinney@dds.ca.gov.

Sincerely,
